Important Athletic Information:

Our JV boys basketball team is being coached by Sean Armendariz. Thanks so much for making boys basketball possible!

The Varsity Volleyball Tournament will be at St. Al's on November 1, 2, and 3. Volunteer positions are posted on Sycamore. Please consider signing up to help because we will need it!

Overview of joining sports- Prior to a sport starting, an announcement will be made on the school website under News and Events, as well as at school, that students may sign up. A sign-up sheet will be posted in the middle school wing and near Mrs. Hillman's room for each sport. 8th graders are typically on Varsity, 7th graders on JV, and 6th and 5th graders on B-squad, but only if the number of students allows for this. If this is not possible, a tryout may be held.

Volunteer Opportunities- Athletic programs at St. Alphonsus are dependent on many hours of service time from parents. EVERY family is required to complete twenty service hours for the school each year. Students in 5th grade and older can perform service hours to help fulfill this requirement. Adult volunteers must have completed Virtus and the Essential Three to volunteer. Please visit the Sycamore website today to sign up for service hours in Athletics!

Activities in Athletics that will help fulfill family service hours:
